REVENUE MEMORANDUM ORDER NO. 35-2020

Subject **POLICIES, GUIDELINES AND PROCEDURES IN PROVIDING REGIONAL TECHNICAL SUPPORT**

To **ALL INTERNAL REVENUE OFFICIALS, EMPLOYEES AND OTHERS CONCERNED**

I. **BACKGROUND**

Currently, Revenue Data Centers (RDCs) are providing technical support in their respective region/district offices. Several technical incident reports/service requests cannot be given immediate resolution due to lack of RDC Technical Support personnel to attend to numerous incident reports/service requests, received through various channels – logged in BIR Service Desk System (<http://servicedesk.bir.gov.ph/Centerpoint/>), phone calls or personally reported. To ensure immediate response to received/logged ICT-related issues/concerns, especially from remote BIR offices, a Regional Technical Support will be created.

II. **OBJECTIVES**

This Order is being issued to:

1. Prescribe policies, guidelines and procedures in providing technical support to ICT-related issues/problems.
2. Provide faster resolution to ICT-related technical problems encountered by regional/district offices.
3. Define roles and responsibilities of Regional Technical Support.

III. **COVERAGE**

This Order shall apply to all ICT-related problems/concerns such as:

1. Set-up / Trouble shooting of Personal Computers (PCs)
2. Installation of various authorized application software
3. Network peripherals monitoring and configuration/set-up
4. Monitoring of antivirus software and updating regularly
5. Email configuration
6. Printer configuration
7. Active Directory System configuration

Handwritten signature

8. Internet Access configuration
9. Other ICT-related concerns

IV. POLICIES AND GUIDELINES

1. Revenue Regional (RR) Offices shall designate and assign IT functions to their respective Regional Technical Support personnel holding IT- position/item (Computer Maintenance Technician II and Information Systems Analyst II). In the absence of such, any technical personnel who possess the required IT experience and expertise.
2. Regional Technical Support Team shall be given access to BIR Service Desk System as Problem Resolution Group (PRG).
3. All issues/problems shall be logged to BIR Service Desk System including technical issues/concerns of the Computer-Assisted Audit Tools and Techniques (CAATTs) laboratory.
4. All reported issues shall be evaluated by RDC Helpdesk Analyst to determine whether to grant or not the administrative account privilege to the Regional Technical Support to address the issues. Should an administrative account privilege be required, concerned Regional Technical Support shall be provided with access valid for one (1) day, which may be extended to ensure resolution of the issue/s. The request for provision/extension of administrative/local account shall always be reported in the BIR Service Desk System for documentation and audit purposes.
5. Access to BIR Service Desk System shall be granted to concerned Regional Technical Support upon submission of duly accomplished Form 0044.
6. All Regional Technical Support concerned are strongly encouraged to open their email and BIR Service Desk System accounts regularly to ensure that all incoming email, and escalated issues particularly notifications on service requests, are received for resolution.
7. Regional Technical Support shall properly fill-up the following documents, upon resolution of logged issues and have it signed by the end-user:
 - 7.1 Service Completion Report (**Annex A**)
 - 7.2 Incident Report/Service Request Form generated by BIR Service Desk System (**Annex B**)
8. The Regional Technical Support personnel shall submit scanned copy of accomplished Service Completion Checklist to be attached to the created incident report in the Service Desk System for validation of respective RDC Service Desk.
9. RDC Service Desk Analyst/Supervisor shall validate the submitted Service Completion Checklist Form as to the correctness of details based on the created Incident Report/Service Request Form.
